A schematic diagram of a memory cell. It features a central rectangular region containing a smaller, more complex internal structure. The entire central area is enclosed by a thick black border. Outside this border, there is a wider region filled with a diagonal hatching pattern. The label "VG1" is positioned in the upper right corner of the outer hatched region.

r e n v o o i

A detailed site plan showing the layout of a residential complex along Chromerstraat. The plan includes several buildings, some labeled with numbers (e.g., 177, 401, 402, 403, 404, 405, 406, 407, 408, 409, 410) and others with letters (e.g., 'a', 'b', 'c', 'd', 'e'). A central building, labeled 'a', features a black roof and a small entrance. A blue line representing a watercourse runs through the lower part of the site. An arrow at the top left indicates a north direction.
